April 29, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$2,000,000 in funding for the Rudy Lozano Library Renovation in fiscal year 2023.

The entity to receive funding for this project is the Chicago Public Library located at 400 S. State Street, Chicago, Illinois, 60605. The Chicago Public Library is a governmental entity.

This request is a good use of taxpayer funds because the existing Rudy Lozano Branch Library, opened in 1989, is an 18,000 square foot Library located in the Pilsen neighborhood of Chicago that has not received any major renovations since its opening, leaving this 33 year old Branch badly in need of a major renovation to upgrade its services and capability for a growing and changing neighborhood.

The benefits of this project are that it will bring the Library up to code, make needed ADA accessibility improvements, and create new or upgraded community spaces like a Community Room, Maker Lab, Teen Room, Study Rooms and Staff Work area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jesús G. "Chuy" García
Member of Congress
