KEEPING UP WITH THE DELEGATION

— **Congressman Jesus “Chuy” Garcia** (IL-04) is back from leading a congressional delegation to Bogota for the Panamerican Congress in Colombia. The organization focuses on “hemispheric cooperation, democracy and the climate crisis.” In a statement, Garcia said he’s concerned about an “increasingly coordinated group of right-wing politicians, who use election denial, lawfare and repression to consolidate their power.” Congresswoman **Delia Ramirez** (IL-03) also attended the event.
