The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$552,155.00 of funding for the Police Station Technology Project in Fiscal Year 2027. The entity to receive funding for this project is Village of Stone Park, located at 1825 N 32nd Avenue, Stone Park, IL 60165. The funding would be used for implementation of a complete camera system for the new police station being built in 2026/2027 in the Village of Stone Park. The project is an appropriate use of taxpayer funds because it will strengthen cybersecurity, improve operational efficiency, and enhance public safety services for the community.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jesús G. "Chuy" García
Member of Congress
