Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$1,150,000.00 of funding for the City of Northlake Sanitary Sewer Lining project in Fiscal Year 2027. The entity to receive funding for this project is the City of Northlake, located at 55 E. North Avenue, Northlake, IL 60164. The funding would be used to enhance the performance of the City's wastewater infrastructure and provide more reliable sanitary sewer service to residents. The project is an appropriate use of taxpayer funds because it will address critical public infrastructure needs by reducing the risk of sanitary sewer overflows, protecting public health and the environment, extending the useful life of existing assets, and lowering long-term maintenance and emergency repair costs.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jesús G. "Chuy" García
