The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$2,043,200.00 of funding for the Leyden Township Sanitary Sewer Rehabilitation project in Fiscal Year 2027. The entity to receive funding for this project is Leyden Township, located at 2501 N Mannheim Road, Franklin Park, IL 60131. The funding would be used to improve the reliability of the wastewater collection system, reduce the risk of sanitary sewer overflows, and enhance environmental protection. The project is an appropriate use of taxpayer funds because it will address critical public infrastructure needs, reduce the risk of sewer overflows and property damage, protect environmental and public health, and extend the service life of existing assets in a cost-effective manner.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jesús G. "Chuy" García  
Member of Congress
