Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$3,040,000.00 of funding for the Village of River Grove Water Main Improvements project in Fiscal Year 2027. The entity to receive funding for this project is Village of River Grove, located at 2621 N. Thatcher Ave., River Grove, IL 60171. The funding would be used to enhance system reliability, reduce the risk of contamination, and ensure compliance with current drinking water standards while supporting long-term infrastructure sustainability. The project is an appropriate use of taxpayer funds because it will address essential public health and safety needs, ensures regulatory compliance, reduces long-term maintenance and emergency repair costs, and provides lasting benefits to the community through improved water quality and infrastructure reliability.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jesús G. "Chuy" García
Member of Congress
