Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$450,000 of funding for the Village of La Grange Ambulance Replacement project in Fiscal Year 2027. The entity to receive funding for this project is the Village of La Grange, located at 53 S. La Grange Road, La Grange, IL 60525. The funding would be used to replace the Village's aging reserve ambulance, bringing its fleet into compliance with modern standards. The project is an appropriate use of taxpayer funds because it will improve patient care capabilities and enhance firefighter and paramedic safety, while ensuring the village can continue delivering safe, effective, and uninterrupted emergency medical services.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jesús G. "Chuy" García
